Characteristics of the unit:	<p>Trakai District Municipality is located in south-eastern Lithuania, in Vilnius County. The area of the district is 1208 sq. km. The population of the district is more than 37 000 inhabitants. The centre is Trakai (about 5,500 inhabitants). There are 8 elderships in the territory of the municipality: Trakai, Lentvaris, Onuškis, Rūdiškės, Grendavė, Paluknis, Senieji Trakai, Aukštadvaris.</p> <p>The current Mayor of the District Municipality is Andrius Šatevičius, the vice-mayors are Jonas Kietavičius and Jolanta Abucevičienė.</p> <p>The Director of Administration is Dovilė Daudaitė, the Deputy Director of Administration is Romuald Zviagin.</p>
Project experience: (participation in projects)	<p>Wellness tourism revealing the natural and cultural heritage of Trakai and Gizycko regions (LT-PL-5R-387). Objects for visiting in the territory of cultural and natural heritage have been installed and adapted for visiting – a section of the hiking trail along Lake Luka (Bernardinai) in Trakai (Lithuania) has been installed. Infrastructure in the Mosuria lakeside region was arranged: two community houses, a section of the pedestrian/bicycle path with an observation deck, a children's playground (Poland, Gizycko county). International events were organized: old crafts, wellness, culinary heritage camps for families and young people.</p> <p>Reveal of Trakai and Gizycko heritage for tourism (LT-PL-4R-315). Spaces in the territory of cultural and natural heritage were adapted for visiting – a plot of land, Karaimai 57A, Trakai old town (Lithuania) and a bicycle path instead of unused railway tracks in Gizycko district (Poland). International events using renovated spaces were organized: study visits, active tourism camps, family weekends.</p>

Records of entities applying for cooperation on projects

	<p>Cultural and natural heritage preservation and adaptation in Trakai and Gizycko districts (LT-PL-1R-101). Cultural heritage objects were preserved and adapted for visiting – Trakai Art School (Lithuania) and Boyen Fortress Amphitheater (Poland). A series of four international cultural events "4Unity&Art" was organized: the Festival of Folk Dances and Songs in Gizycko county, arts camps on both sides of the border (Trakai and Gizycko), the International Music Festival in Trakai.</p> <p>Supporting tourism and culture in the Trakai and Gizycko region (LT-PL-3R-256). Spaces in the territory of cultural heritage were adapted for visiting – the spectator hall of the Trakai Palace of Culture was repaired and equipped with the necessary equipment (in Lithuania), a branch of the public library with an outdoor stage was built and a cultural centre was repaired and equipped in Gizycko county (Poland). International cultural events using renewed spaces were organized: festivals, artistic workshops, seminars.</p> <p>Project team has practise and competence for implementing joint cross border projects: has knowlede in public procurement, accountancy, reporting, promotion, organizing joint events, working with target group, networking.</p>
<p>Area of interest cooperation:</p>	<p>Projects WATER ECOLOGICAL NETWORK - cross-border concept of protection and revitalization of rivers and lakes</p>
